

I-ADCT'25 SUBMISSION GUIDELINES

Components For Submission

Participants are required to prepare the documents below and upload them to the registration link provided in the *Notification of Acceptance* email:

Abstract

- An Abstract must be in one paragraph only and consists of 200 -250 words.
- The Abstract must be written in English. It must be free of spelling errors and grammar mistakes.
- An Abstract contains a Background, Problem Statement, Objectives, Methodology, Novelty, Benefits to Society etc.
- The template can be downloaded below:
- [Template of Abstract](#)

Extended Abstract – Optional if interested in publication in e-Proceeding with e-ISBN number. The Extended Abstract will also be available online via the IADCT 2025 website.

- IADCT25 will publish the Extended Abstract in e-Proceeding with e-ISBN number. Participants are given **the option** to submit an Extended Abstract of 5-10 pages describing their work.
- The full paper must strictly follow the template below and contain Abstract, Introduction, Methodology, Results & Discussion, Conclusion & Recommendation and References.
- Figures or tables must not exceed 50% of the whole contents.
- The submitted articles will be reviewed by two reviewers. Only accepted articles will be published in the e-Proceeding.
- The participants are highly encouraged to proofread the Extended Abstract before submission.
