

SEMINAR OF BASIC SURVIVAL IN RADIOLOGY 2025

THEME: IMAGING OF NON TRAUMATIC ACUTE ABDOMEN

Organized by:

Department of Radiology, Faculty of Medicine and Health Sciences, UMS
& Department of Radiology, Hospital Queen Elizabeth I

Day 1

Date : 24TH April 2025 (Thursday)

Venue : Hotel 7 Suria 7, Suria Shopping Mall, Kota Kinabalu

Time	Topics	Speaker
07:30 – 08:30 AM	<i>Registration & breakfast</i>	
08:30 – 08:35 AM	Doa Recital	JXR Afiq Mat Salleh
08:35 – 08:40 AM	Welcoming Address	Dr. Muhd Nor Taufik Abd Latiff Chairperson, Radiology Department, UMS
08:40 – 08:45 AM	Video Presentation	Multimedia Team
08:45 – 08:55 AM	Opening Speech	Dr. Sumithra Sannasey Head of Radiology Service, Sabah
08:55 – 09:00 AM	Group Photography Session	

Gastrointestinal Imaging

Time	Topics	Speaker
09:00 – 09:30 AM	Interpretation of Normal Abdominal Radiograph/CT	Dr Hafiz
09:30 – 10:00 AM	Imaging of Small Bowel Obstruction	Dr Mitchell
10:00 – 10:30 AM	Imaging of Large Bowel Obstruction	Dr Muhammad
10:30 – 11:00 AM	Morning Break	
11:00 – 11:30 AM	Sign of Perforated Viscus From Plain Abdominal Radiograph	Dr Izwan
11:30 – 12:00 PM	Interpretation of the Normal Paediatric Abdominal Radiograph	Dr Nazmi
12:00 – 12:30 PM	Imaging of Necrotizing Enterocolitis (NEC)	Dr Anand
12:30 – 01:00 PM	Imaging of Common Cause of Acute Abdomen in Paediatric Patient	Dr Vivian
01:00 – 02:00 PM	Lunch Break	
2:00 – 2:30 PM	Vendor Talk	
02:30 – 03:00 PM	Imaging of Bowel Ischaemia	Dr Sharon
03:00 – 03:30 PM	Imaging of Acute Appendicitis and Related Complication	Dr Taufik
03:30 – 04:00 PM	Quiz	

LAMPIRAN I _Tentative Programme

04:00 – 04:15PM	Price Giving Ceremony
04:15 – 04:45PM	PM Break
	END OF DAY 1

**Question and Answer is with Slido Apps*

Day 2

Date : 25th April 2025 (Friday)

Venue : Hotel 7 Suria 7, Suria Shopping Mall, Kota Kinabalu

Hepatobiliary and Genitourinary System

Time	Topics	Speaker
07:30 – 08:30 AM	Registration & breakfast	
08:30 – 09:00 AM	Normal HBS and KUB Ultrasound Findings	Dr Cindy
09:00 – 09:30 AM	Imaging of Acute Cholecystitis and Acute Pancreatitis	Dr Shahru
09:30 – 10:00 AM	Imaging of Acute Jaundice (Obstructive vs Non-Obstructive)	Dr Haneefa
	Question & Answers (Slido)	
10:00 – 10:20 AM	Morning Break	
10:20 – 10:50 AM	Imaging of The Liver Abscess and The Mimickers	Dr Nazmi
10:50 – 11:20 AM	Imaging of Common Cause of Renal Colic and Urinary Tract Infection	Dr Zuhri
11:20 – 11:30 PM	Question & Answers	
11:30 – 01:30 PM	Lunch	

Special Invited Speaker

Time	Topics	Speaker
0200 – 02:30 PM	Live Ultrasound Demo	Dr Gloria
02:30– 03:00 PM	Acute Gastrointestinal Bleeding : When and How to Refer to Interventional Radiologist With Case Sharing	Dr Zahid Muen
03:00– 03:30 PM	Common Surgical Emergency of Acute Abdomen and Expectant Management in District/Primary Health Care	Dr Mohd Hud (Surgeon)
04:00 – 04:30 PM	Ultrasound Findings of Common Gynaecology Emergency	Assc Prof Dr Ehab Helmi (OnG)
04:30 – 04:45PM	Quiz	
04:45 – 05:00PM	Price Giving Ceremony Closing Speech by Dr Cindy (HOD UMS Radiology)	
5:00 -5:30 PM	PM Break/ End of D2	

**Question and Answer is with Slido Apps*

Day 3

Date : 26th April 2025 (Saturday)

Venue : Radiology Department, Hospital Queen Elizabeth 1

Ultrasound: Hands-On Stations

Time	Topics	Speaker
07:30 – 08:30 AM	<i>Registration & breakfast</i>	
08:30 – 08:40 AM	Stations Briefing	Moderator: Dr Yuen
08:40 – 11.40 AM	USG Stations: 6 stations Group A (USG Room) 1. Hepatobiliary station 2. Urinary station 3. Abnormal station 4. DVT station 5. USG-Guided Venipuncture 6. USG-Gynae Group B (Main Radiology Building) 1. Hepatobiliary station 2. Urinary station 3. Abnormal station 4. DVT station 5. USG-Guided Venipuncture 6. USG-Gynae	1. Dr Sharon 2. Dr Cindy 3. Dr Shahrnizam 4. Dr Taufik 5. Dr Tan YE 6. Dr Zaid 7. Dr Foo 8. Dr Muhammad 9. Dr Izwan 10. Dr Prabha 11. Dr Nazmi 12. Gloria
11.40 – 12.00 PM	Self-Practice	
11.40 – 01.00 PM	<i>Lunch</i>	
01.00 PM	END OF DAY 3	

Prepared by,

DR. MUHAMMAD NOR TAUFIK BIN ABD LATIFF

Clinical Radiologist and Medical Lecturer (DU54)

Department of Radiology

Faculty of Medicine and Health Sciences, Universiti Malaysia Sabah

1 December 2024
